

KLAAS MULLER

A L E S S A N D R O T U R C H I

Lot and his Daughters

Turchi was born and mainly active in Verona and therefore was also called Alessandro Veronese or L'Orbetto. He was highly respected and much requested artist, mainly in clerical and high society circles.

This particular painting has the same warm and soft tones Turchi is known for. We can easily say that his style is quite Caravagesque.

Oil on Canvas, 31 x 39,5cm
